1. After working with the Veteran’s Administration Transitional Work Therapy Program Representative on a hire, the department contacts Human Resource Services with notification of its intent to hire a temporary employee.

2. Department sends (or faxes to 884-8811) the following information to Human Resource Services (MU):
   - Criminal Background Check Disclosure Form signed by temporary worker to initiate CBC
   - Job title & duties to be performed in order to determine if a Post-Offer Employment Testing (POET) for applicable jobs (e.g. custodian, food service worker, groundskeeper, electricians) should be initiated
   - Veteran’s Resume or Job Application – reviewed by HRS to ensure candidate meets the minimum qualifications for the temporary position being performed

3. Human Resource Services will initiate the CBC process through Validity Screening Solutions. The Human Resources Professional will notify the Department of the results.

4. Human Resource Services will enter the candidate’s name into the POET system to initiate testing, if applicable based on the job duties. Results from the POET testing will also be provided to the department.
